

ST. JOSEPH PARISH PASTORAL PLANNING

Service Pillar:

How do we as a community serve those outside and inside the community. Are there neighbourhood needs, or other ways we can serve, that we are not doing now.

The questions to be answered regarding the Service Pillar:

- ✓ First column: "I have experience of this ministry."
 - If you have no experience of a particular ministry and no comment to make, check "No" and go on to the next ministry on the list.

- ✓ Second and Third columns: "Meets Your Needs" and "Meets Parish Needs"
 - In your estimation, do these ministries and activities meet your needs and the needs of our parish?
- ✓ Fourth column: "Are Changes Necessary?"
 - The Ministry/Activity may meet your needs and the needs of the Parish, but is some change necessary? (Please expand by responding to the questions on the back of the page.)
