### Story Telling Session at St. Joes

**Today** — The Story Telling session will take place today starting at 2 pm. Newspaper articles and photos of our parish dating back to 1866 will be on display starting at 1 pm, along with other items of interest.

**Memorial Service** — The Funeral ministry invites you to attend a memorial service on Nov. 10 at 10:30 am to remember and honour all of our deceased relatives. All are welcome.

**The Children Procession** — Each Sunday at the 9:30 service our Family Ministry organizes multiple activities to engage children in the expression of their faith at a level appropriate to their age and to help nourish their spirituality. One of these activities is the children's procession. The young members of our community are invited to bless the altar with their joyful spirits and sense of wonder by circling the altar 3 x during the opening hymn carrying a dove, butterfly or bee. This is a true ministry in that it gives importance to the presence of our children and it gives the children a sense of belonging and service. By participating in the procession, the children energize all who gather. We invite not only pre-school children to take part in the procession, but Kindergarten and grade school children as well. Older siblings can accompany younger ones. Parents/caregivers of little ones are invited to walk in the procession too. Calling on all parents/caregivers to encourage and help their children participate in the procession by gathering at the church entrance before the opening hymn, where they will line up and receive a dove to carry in the procession. The more the merrier.
